No MYE 2100-359/47-48 Dt 16-48

Recommends Sanction to the payment of a car allowance of Rs 500/ pm to Sri C Krishnamurthy, chief officer during the period he stayed in Shimoga Municipality

—

1) The proposal of the Shimoga Town Municipal Council to grant a car allowance of Rs 500- pm to Sri C Krishnamurthy, chief officer was vetoed in this office No. L 3375/ml 9-47-3 Dt 28-8-48 as the maintenance of cars by officers of this status and grade pay of chief officers was considered to give scope to malpractices or make them victims of temptations.

2) The DC now recommends again Sanction to the grant of a car allowance of Rs 500/ pm in view of the fact that

T595/ml,

Car allowance to Mr C Krishnamurthy, Chief Officer

he maintained a car previously on Dewan pay and Station Municipalities and also it was necessary for him to maintain a car on the Shimoga Municipality for the occasional visits which prevailed at the place during the time of Communal disturbances, and for the efficient discharge of the Municipality work as well

3) The proposal of the Dc is that car allowance of Rs 50/- p m to this Chief officer for the period he worked on the Shimoga Town Municipality is for orders

Rs 1/7/16

Mr C Krishna Murthy was the Chief Officer of the Shimoga Town Mty till he was transferred as Revenue officer of the Honnali Taluk Board while he was at Davanagere Station, drew in receipt of a car allowance of Rs 50/pm + But the same was not continued at Shimoga, even though he maintained the same car at the place Mr Shimoga Town Mty resolved to give him the allowance of Rs 50/- but it was not sanctioned (vide Flag C)

The President, through Turnbull
has stated in his report to the D.C
that the car maintained by the C
municipal work was not only useful for the
purpose but was an absolute necessity
as a means of transportation of
chief officers and situations where
it was a dispatch necessity
because the payment of the car allowance
for the period between the change
to be granted for the payment of the car allowance
for the period between the change
Turnbull is to maintain a car during
the period for which I would have agreed
to bear the expenditure incurred on this
account.

In view of the recommendations
of the President, through Turnbull
to the D.C. Council, the proposal

The chief officers are not expected to maintain cars as the pay, salary + allowance admissible to any chief officer do not enable him to maintain a car. Thus is a bad precedent. But in the circumstances explained by the D.C. Shimoga that he used car was really useful during abnormal times when the MLA also have applied as special case the resolution of the MLA is agreed as a special case

the chief officer concerned may be informed that he should not claim the same privilege in future.

Sri C Krishna Murthi was in receipt of car-allowance in Davanagere Municipality as well as in Hassan Municipality From Hassan Municipality he was transferred to Shimoga Municipality and as such the car was being maintained during the period he was Chief Officer at Shimoga Also The maintenance of a car was found very necessary for the discharge of Municipal work as well as during the abnormal situation which prevailed in Shimoga at the time of communal disturbances The Chief Officer has since been transferred to Bangalore H A Sanitary Board The present Chief Officer is not maintaining a car now

Hence I request that sanction of Government may kindly be obtained to the grant of a car allowance to Sri Krishnamurthi for the period he worked in Shimoga Municipality as he maintained a car during the period and as the Municipal Council have agreed to bear the expenditure incurred on this account

A copy of the Shimoga Municipal President's letter No C1 49/47-48 dated 2-3-48 is also enclosed for favour kind perusal

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shimoga District

Copy of letter No C1-49/47-48 dated 2nd March 1948, from the President, Town Municipal Council, Shimoga to the Revenue Secretary to Government of Mysore, Bangalore, through the Deputy Commissioner, Shimoga District, Shimoga

I have the honour to state that Mr C Krishna Murthi Rao, Chief Officer, of this Municipality was in receipt of Car allowance in Davangere Municipality and the same was continued to him in Haveri Municipality as per G O No L 3528-9/Mi 82-45-13 dated 6th November 1945

He was transferred to this Municipality in the month of November 46 and he brought his car along with him The area of Shimoga town being larger than any one of the towns where he was in receipt of conveyance allowance and probably the biggest in the whole state containing 42 miles long, the Municipal Council thought it necessary that he should continue to maintain the car in the interest of Municipal work and accordingly resolved at their meeting held on 27-3-47 that Mr C Krishna Murthi Rao should be continued to be paid a car allowance of Rs 50/- in this Municipality also

The reasons necessitating the continuance of car allowance to Mr C Krishnamurthi Rao, has been explained in my letter No C1-50/46-47 dated 29-4-47 forwarding the resolution of the Municipal Council (copy enclosed for reference)

The Government in their letter No L 3375/Mi 9-47-3 dated 27-8-47 did not approve of the proposal of the Municipal Council

The Municipal Council in their further resolution No 85 dated 1-10-47 while revising the salaries of their employees have recommended that the Chief Officers' pay should be raised to a graded pay of Rs 250/- plus a conveyance allowance of Rs 50/- per month

The Government in their Order No L 12645 dated 19-1-48 while approving of the revised scales of pay of certain section of the Municipal employees have stated that orders regarding the increase of pay to the Chief Officers will separately issue, but being silent on the question of car allowance of Rs 50/- recommended by the Municipal Council

The car that has been maintained by Mr C Krishna Murthi Rao was not only useful for the municipal work all along but also of immense use at abnormal times and situations such as, communal clashes But for the car, the Chief Officer would not have been able to train good work of the Peace Committee of which he was ex-officio Secretary

The Government have accepted the policy of his maintaining the car twice Under the circumstances mentioned above I feel it my duty to bring to your kind notice and recommend that the car allowance twice resolved to be granted by this Municipal Council to the Chief Officer should be paid Necessary provision has been made in the Budget Estimate in this behalf to pay enhanced rate of conveyance allowance

Under these circumstances, I request you kindly to obtain early sanction of Government to pay Mr C Krishna Murthi Rao, Chief Officer car allowance at Rs 50/- from the date of his taking charge in this Municipality

I have the honour to state that Mr C Krishna Murthi Rao, Chief Officer of this municipality was in receipt of Car allowance in Davanagere Municipality and the same was continued to him in Tassar Municipality as per C O No L 3528-9/M1 82-45-13 dated 6th November 1945

He was transferred to this Municipality in the month of November 1946 and he brought his car along with him The area of Shimoga town bein larger than any one of the towns where he was in receipt of conveyance allowance a probably the biggest in the whole state containing 42 miles road, the Municipal Council thought it necessary that he should continue to maintain the car in the interest of Municipal work and accordingly resolved at their meeting held on 27-3-1947 that Mr C Krishna Murthi Rao should be continued to be paid a car allowance of Rs 50/- in this Municipality also

The reasons necessiating the continuance of car allowance to Mr C Krishna Murthi Rao, has been explained in my letter No C1-53/46-47 dated 22-4-47 forwarding the resolution of the Municipal Council (copy enclosed for reference)

The Government in their letter No I 3375/M1 8-47-3 dated 27-8-47 did not approve of the proposal of the Municipal Council.

The Municipal Council in their further resolution No 85 dated 1-10-47 while revising the salaries of their employees have recommended that the Chief Officers' pay should be raised to a graded pay of Rs 250/- plus a conveyance allowance of Rs 50/ per month

The Government in their order No L. 12645 dated 19-1-48 while approving of the revised scales of pay of certain sections of the municipal employees have stated that orders regarding the increase of pay to the Chief Officers will separately issue, but being silent on the question of car allowance of Rs 50/- recommended by the Municipal Council

The car that has been maintained by Mr C Krishna Murthi Rao was not only useful for the municipal work all along but also of immense use at abnormal times and situations such as, communal clashes But for the car, the Chief Officer would not have been able to turn good work of the Peace Committee of which he was a defacto Secretary

The Government have accepted the policy of his maintaining the car twice ~~and~~ Under the circumstances mentioned above I feel it ~~was~~ is my duty to bring to your kind notice and recommend that the car allowance twice resolved to be granted by this Municipal Council to the Chief Officer should be paid Necessary provision has been made in the Budget estimate in this behalf to pay enhanced rate of conveyance allowance

Under the circumstances, I request you kindly to obtain early

sanction of Government to pay Mr C Krishna Murthi Rao, Chief Officer car allowance at Rs 50/- from the the date of his taking charge in this Municipality

Adverting to Government Order No I 3528-9/M1 82-45-13 dated 6th November 1945, sanctioning a conveyence allowance of Rs 50/- per mensum to Mr C Krishnamurthi Rao, Chief Officer, I have the honour to state that Mr C Krishnamurthi Rao, Chief Officer joined duty in this Municipality on 7th of November 1946

His Last Pay Certificate showed that he was in receipt of a conveyance allowance of Rs 50/- till he handed over charge at Hassan Town Municipality He brought his car to this town also along with him The scale of conveyance allowance in this Municipality is Rs 25/- The Municipal Council while recording the Last Pay Certificate at its very next meeting after this Officer took charge desired that he should continue to maintain the car in the interest of the Municipal Work for some time, to watch whether this conveyance really helped him to do more work in the direction of improving the finances of the Municipality and to attend to the disposal of other works speedily

After watching his work nearly for 5 months, the Municipal Council came to the final conclusion that it is very necessary for the Chief Officer to maintain a car in this extensive town to attend to his duties promptly and to manage the affairs of the Institution better, and so it has resolved at its Ordinary General Meeting held on 27-3-47 that the ~~the~~ car allowance of Rs 50/- per month may be continued to be paid to Mr C Krishnamurthi Rao Chief Officer, from the date of his taking charge of his office in this Municipality (i e , form 7-11-1946), Mr C Krishnamurthi Rao has been maintaining a small car-Morris 8 H P for the Municipal work

In this connection, I wish to bring to your kind notice that this town is very extensive and has 9 gates The distance between any two main toll gates exceeds 2 miles The aggregate distance of inspecting all the toll-gates commencing from one and ending with the last gate is about 12 miles The Chief Officer, who is the only responsible officer has to inspect ing all the gates twice in a day, once in the morning and again in the night for preventing mal-practices as it is found by experience that it is unsafe to allow the toll-gate keepers and ookad mutsadis to go on with collection work without frequent checks on them Besides, Shimoga Town is a semi-malanad area and it is desirable that the Chief Officer should be provided with a suitable conveyance to visit toll-gates situated far off from the town at any time throughout the year both in the rainy and summer seasons which will provide him shelter from wind, rain and sun

Ever since Mr C Krishnamurthi Rao, took charge in this municipality, he has been very keen in improving the finances of the municipal council and is quite alert in the discharge of his duties The enclosed comparative statement of collections will speak for itself regarding the improvements in collections under several items of revenue He has been going on night petrol to watch and prevent smuggling and has detected a number of cases without fear or favour He is intelligent and hard-working and extracts good work from the subordinate staff He is honest and conscientious in the discharge of his onerous duties

Under these circumstances and especially in view of the considerable increase in revenue under several heads by his good work, the increase of the conveyance allowance by Rs 25/- over and above the meagre allowance of Rs 25/- which he is now drawing, is very necessary and deserving.

(continued in -3-)

I therefore request that sanction of Government may kindly be obtained to the resolution of the Municipal Council

Copy of the resolution of the Municipal Council is herein enclosed
